Why DeeEss?

- Assured cost saving in existing method through engineering analysis.
- Experts in providing simple solutions.
- Experience in the field with high technological knowledge.
- We work closely with our customers, providing innovative, value added solutions in all market sectors we serve.
- We deliver unprecedented and sustained business results for our clients.
- Suggesting multiple solutions for single proposals.
- Ensuring on time delivery through effective project management
- By understanding the industry's constantly changing demands, we are able to develop performance-enhancing fabrications solutions.
- We have the people, the products and the processes to make your business more competitive.
- Ensuring a positive contribution to society.

Safety Edge Fencing

GuardRail Post

Slab Gripper

Post Shore

Kerb Block Grab

Guard Rail Post Bracket

Steel Beam Holder post
